ITALY

### ZEROEMISSION MEDITERRANEAN

**ZEROEMISSION MEDITERRANEAN**, founded in 1999, is the historic brand for the promotion of renewable energies, sustainability, electric mobility, electric storage, the fight against climate change, decarbonisation, and electrification of energy consumptions in Italy, in Southern Europe and in the Mediterranean countries. **ZEROEMISSION**

**MEDITERRANEAN 2023** is an exclusively business to business event, reserved for professionals, dedicated to innovative technologies, products and services in response to the demand by operators and markets for a meeting place from which to make business and to best confront the ongoing challenges of this fast-paced, swiftly-developing worldwide industry.
